

Crystal Fame
CIRCLE 630 MM
 LED surface-mounted pendant luminaire

Circle appears to hover in the room as if by magic. Its light appears to radiate outward from within: A simple crystal and high quality stainless steel ring with a mysterious effect. The decorative luminaire is particularly suitable as a representative lighting object for contemporary rooms and is available in three sizes. Circle achieves its maximum effect in rooms of at least three metres in height. Circle can be individually adjusted threedimensionally using the cord pull.
